FORGE

2-DAY IN-SEASON LIFT

For high school teams. Two sessions a week, about 45 minutes, built around games.

DAY A

Early in the week, two or more days before the next game.

1.	Box jump	3 x 3
2.	Back squat or goblet squat	3 x 3 to 5
3.	Romanian deadlift	3 x 6
4.	Rear-foot elevated split squat	2 x 6 each leg
5.	Bench press or push-up	3 x 5
6.	Pull-up or inverted row	3 x 8
7.	Front plank	3 x 30 seconds

DAY B

Midweek, never the day before a game.

1.	Broad jump	3 x 3
2.	Trap bar deadlift	3 x 3
3.	Dumbbell bench press	3 x 6
4.	Single-arm dumbbell row	3 x 8 each side
5.	Lateral lunge	2 x 6 each leg
6.	Farmer carry	3 x 30 yards

RULES FOR THE SEASON

- Leave two reps in the tank on every set.
- Cut the volume, keep the weight.
- No new lifts once games start.
- No lifting the day before a game.
- Log every set, so next week starts where this one ended.

Adjust for your athletes. A starting point, not a prescription.
